

THE SHAWNEE INN AND GOLF RESORT

The Innovation Center at Shawnee:

The Innovation Center at Shawnee understands what it takes to create an innovative culture within your organization. An environment of discovery and the ability to escape, dream and create are the one of a kind experiences that only a place like Shawnee can offer. Nestled on the banks of the majestic Delaware River is a century old resort with history, ambiance and a commitment to sustainable practices that truly separates it from any other place on earth. The Innovation Center at Shawnee is a state of mind and so much more. It consists of creating an environment and the services to allow you to push your boundaries. We can help you see beyond your current reality into new possibilities.

At the Innovation Center we can develop customized programs to meet whatever outcome you are looking to create. Whether it be team building, leadership development, ideation or business planning we can meet your needs. Our partners at mEnterprise Solutions bring cutting edge innovative solutions and years of experience facilitating workshops and retreats.
