

## Shawnee Country Club Letter to Members

Dear Shawnee Country Club Members:

I trust you are staying warm, having a good winter, and looking forward to the 2018 golf season. We certainly are. Approximately 65 days to the opening of golf season and we hope that you are looking to make a commitment to Shawnee Country Club.

It promises to be a great year.

I would like to encourage you to secure your membership at Shawnee and receive the discount for paying early for this next year's membership - this will end January 31st. Special note to first year members, we will be honoring the discount that is available for your second year of membership.

Payment for next year's membership to the Shawnee Country Club can be made in person at our accounting office in the Inn or Nick Lussier in the golf shop. Applications and payment may also be mailed to Accounts Payable: The Shawnee Inn and Golf Resort, P.O. Box 67, Shawnee on Delaware, PA. 18356.

Here are some reminders and items to consider when choosing where to become a member for this upcoming year. In our minds the choice is clear and we would like to help you decide to join Shawnee.

1. The Shawnee Country Club is priced right. Your dollars will go farther and your experience will be top notch. Save hundreds of dollars by joining the Shawnee Country Club AND join by January 31st.
2. The Shawnee Country Club has been around for over 100 years. It has a rich golf history that cannot be matched by many other courses in the region.
3. The Shawnee Country Club has 27 holes of golf for varied play and greater availability.
4. Our professional staff is available to our members at any time to assist with tee times, understanding tournaments play, navigating additional club benefits, aiding in comprehension of billing process, securing of lessons, and any other questions or concerns that might arise.
5. Members of the Shawnee Country Club can choose to participate in GAP matches that allow golfers to play teams from other clubs around Northeast Pennsylvania.
6. Shawnee Country Club members have the ability to make individual tee times 14 days in advance.
